

North Midlands Sports Forum

The Department of Local Government, Sport and Cultural Industries in partnership with Mid West Sports Federation is pleased to present the North Midlands Sports Forum for Local Governments, clubs and associations.

The workshop is designed for anyone in your club that assists in the effective and efficient operations and is committed to improving the club and how it does things.

Managing Conflict and Difficult People

- Prevent conflict arising in the first place
- Identify conflict in its early stages before it erupts into crisis
- Use verbal strategies and body language to diffuse conflict
- Ask the one question that could stop conflict immediately
- Dealing with conflict on social media.
